

Aiming High for Disabled Children and Young People in Staffordshire provides and funds a range of short break activities and services for disabled children, young people and their families. Please see the link for the full range of Aiming High activities for April- June across Staffordshire.

Walton Hall School have been providing an extensive range of activities under Aiming High for the last few years. Activities have included trips to Blackpool Pleasure Beach, Disney on Ice, Cadbury World, Football matches and tours, the Think Tank Museum, the Snowdome, JJ's Sensory Play Centre. We have also provided holiday play-schemes including dance and drama workshops, horse riding and football coaching days. These are only a few of the activities that have been on offer. We continue to provide an inclusive service to children and young people within the local area and it is our aim to include students from the Blackfriars Coppice Federation over the coming year. If you would like any further information on Walton Hall's agenda for Aiming High please do not hesitate to contact Miss Helen McCarthy on 01785 850 420 or at [hmccarthy@waltonhallschool.net](mailto:hmccarthy@waltonhallschool.net).
